

SleepEzy 2 Zone

Superbly comfortable and infinitely adjustable to suit all physiques and sleeping positions.

Two-part construction.

An adjustable pillow with two varying width chambers separated by a sealed inner wall which means the pillow keeps its therapeutic shape.

Adjustable sleeping pillow.

Sleepezy's two separate chambers are intentionally overfilled. This allows you to delete filling as required in order to achieve your optimum comfort and support.

Supports the neck and cradles the head.

Gentle contours of SleepEzy provides the user with a choice of using either curve (long or short sides), catering to all comfort and support needs.

Australian quality.

Our SleepEzy 2 Zone Pillows are all proudly made in Australia by us, an Australian owned company, utilising the world class manufacturing and health and safety standards that Australia upholds.
